

TEENAGE PREGNANCY ACTION PLANS

The action plans that follow set out the work plan for 2008 – 2011.

All objectives are informed by the key national drivers, teenage pregnancy strategy development day, teenage pregnancy task groups and partnership board.

For each objective the key drivers are identified with the use of the key below:

KEY

06 – 08 Strategy(PS): Further development of an objective identified in the 2006 – 2008 Teenage Pregnancy Strategy

Key characteristics(KC): Key characteristics of successful programmes from the 'Teenage Pregnancy: working towards 2010 Good practice and self-assessment toolkit'

NST(NST): Recommendations from the National Support Team visit to Newcastle in September 2007

Ministerial feedback (MF): Actions identified from the Ministerial meeting in May 2008

Ministerial reporting (MR): Actions from Ministerial reporting February 2008

Strategy development day (SD): Actions identified at the Teenage Pregnancy Strategy Development Day January 2008

Next Steps (NS): Actions identified in the 'Next Steps for Teenage Pregnancy Support Toolkit'

Teenage Pregnancy Strategy

Co-ordination Action Plan January 2009 - March 2011

Co-ordination Action Plan accountable leads

Danny Ruta	Newcastle PCT	Director of Public Health
Vacany	Newcastle PCT	Teenage Pregnancy Co-ordinator
Valerie Corris	Newcastle PCT	Public Health Intelligence Analyst

The aims of the Coordination Strategy are to provide strategic coordination of the whole Teenage Pregnancy and Parenthood Strategy.

Key Priorities

1. Review all objectives to ensure based of sound evidence of need.
2. To provide leadership on data collation and analysis.
3. To determine mainstream funding for areas of successful practice.
