

## Managing Transition in Early Years Settings

### Examples of Good Practice in Newcastle upon Tyne

- A parent friendly booklet for a child starting a pre-school setting, with photos of the team and the environment (toilets, cloakroom, dining area) and reassuring information about routines, key worker systems etc.
- Nursery practitioners making a video of the primary school reception classrooms/hall/dining room etc for nursery children to see before starting school.
- Nursery children enjoying stories/play sessions in the primary school reception classrooms.
- Reception children playing in the feeder nursery play area.
- Senior Managers and Foundation Stage Leader from primary school to meet children and parents on entry to feeder nursery school.
- Reception open morning for prospective nursery parents and children. Timetabled tour of school and presentation of starting school information booklet.
