

Having a good education will help to give your child the best possible chances in life.

Please contact the school or ring the Education Welfare Service on (0191) 277 4500 for more information.

**Missing  
School...  
is missing out!**

Your child's education is very important, regular school attendance helps pupils fulfil their potential and gives the chance of a better future.

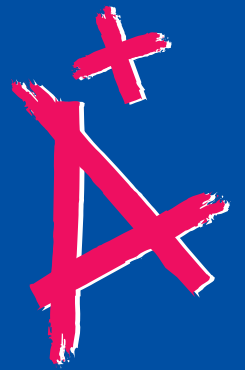

The Education Welfare Service can support your child through the transition to a new school and can offer support on a range of issues which may affect their regular attendance at their new school.

## **DON'T FORGET THAT . . .**

Every day absent from school is an opportunity missed, a two week holiday taken during term time is over 50 lessons missed, this means your child will fall behind with their work.

# Going to school every day means:

- Better exam results
- Improved life chances
- Making friends
- Building lasting relationships
- Reaching full potential

**You can help us to help your child by encouraging regular school attendance.**
